HE THREW AWAY SMALL FORTUNE

Efforts of six long years failed to bring an end to his trouble.

"The past six years has just been one trouble after another. I started taking 'Pape's Cold Compound' a few years ago, and it has been a small fortune to me. I was completely run down and in no shape to look after my business.

"After I had spent a small fortune for treatment and medicines without getting any relief I heard about 'Pape's Cold Compound' and I bought a bottle. I have now taken it for six years and I feel like a new man. It has made a well man of me. The headache and nervousness have disappeared completely. I can now do all I want to and enjoy it thoroughly and sleep easily. I sleep like a child at night and am in better shape now than I was a year ago."

NO QUININE IN THIS COLD CURE

"Pape's Cold Compound" ends colds and grippe in a few hours.

Take "Pape's Cold Compound" every two hours until you have taken three doses, then all grippe misery goes and your cold will be broken. It promptly opens your clogged-up nostrils and air passages of the head; stops nasty discharges of mucus running; relieves the headache, dizziness, feverishness, sore throat, sneezing, soreness and stuffiness.

Don't stay stuffed-up! Quit blowing and sniffing. Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, taints none, and causes no inconvenience. Accept no substitutes—Adv.

Two Brothers Serving Their Country

HERE are two Spanish-Americans whose devotion to the United States has made them veteran soldiers and who say they are glad to be serving their country. The one with the medal for marksmanship is John M. Romero, who enlisted in San Francisco, Calif., four years ago and served in the Philippines and in China with the 15th Infantry. He was transferred later to the 6th Infantry and is now in Camp Meigs, Maryland.

Edward M. Romero is overseas with company B, fifth ammunition train, and has been seeing most of the big guns. The boys are sons of Paulo Romero, 4117 Durango street.
